

# FREE COLOURING PAGES

*Sample Pack*

L.J. KNIGHT

Hello! I create colouring books for both adults and children, with a growing range of themes. This PDF contains two illustrations from each of the titles in my *LJK Colouring Books* series. These include the free pages that were already on my website, as well as an additional design from each book, making 30 free pages in total. This collection includes mandalas, patterns, abstract drawings, cute kawaii characters, and simple floral designs for young children.

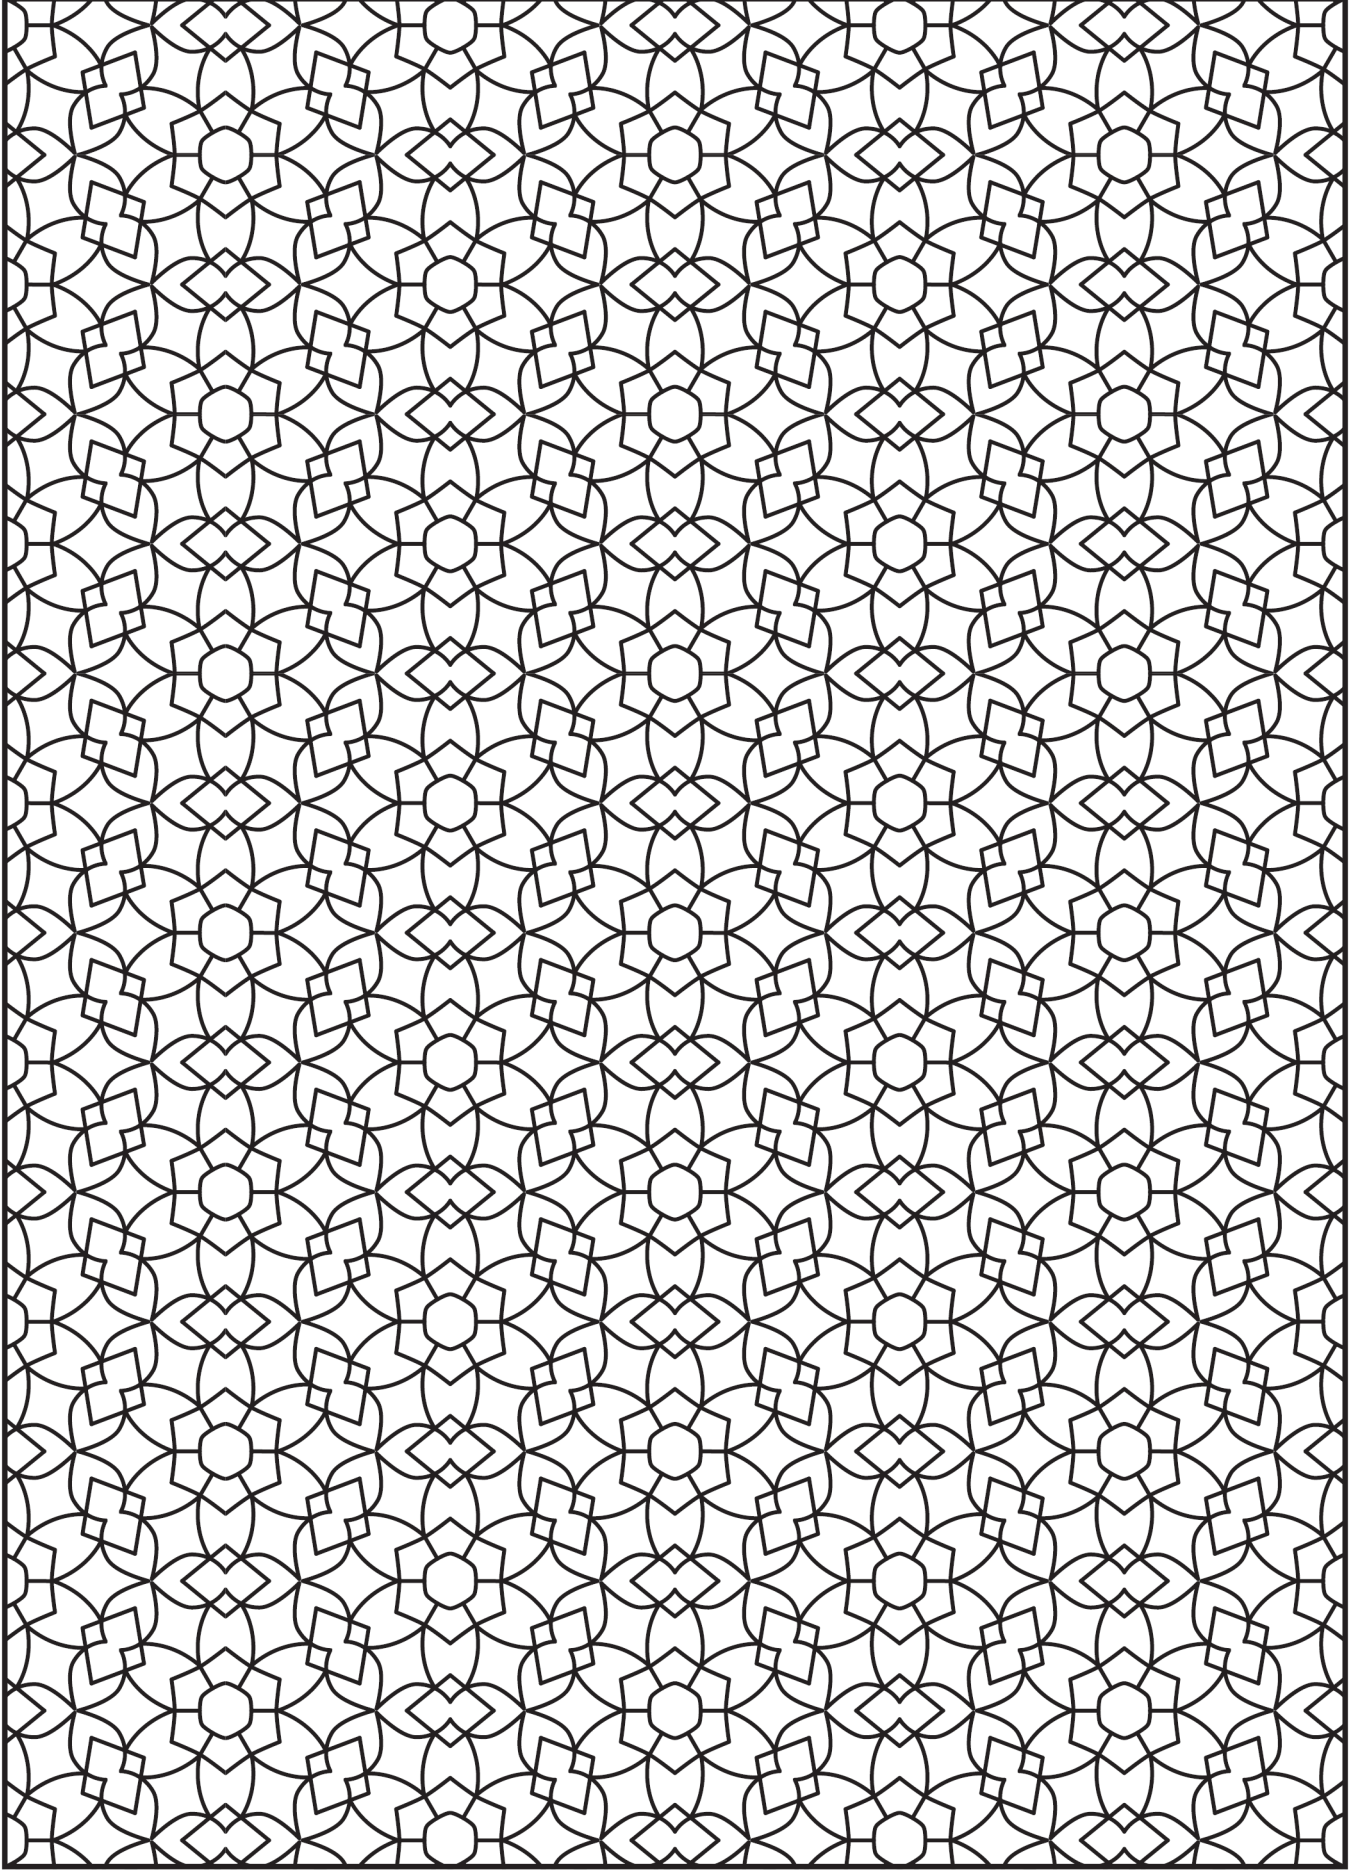

I'm putting together this sampler in late March 2020, in the midst of the COVID-19 coronavirus pandemic. I hope you are safe and well. Colouring is a good way to relax, so hopefully these designs will provide some entertainment and stress relief while you're at home.

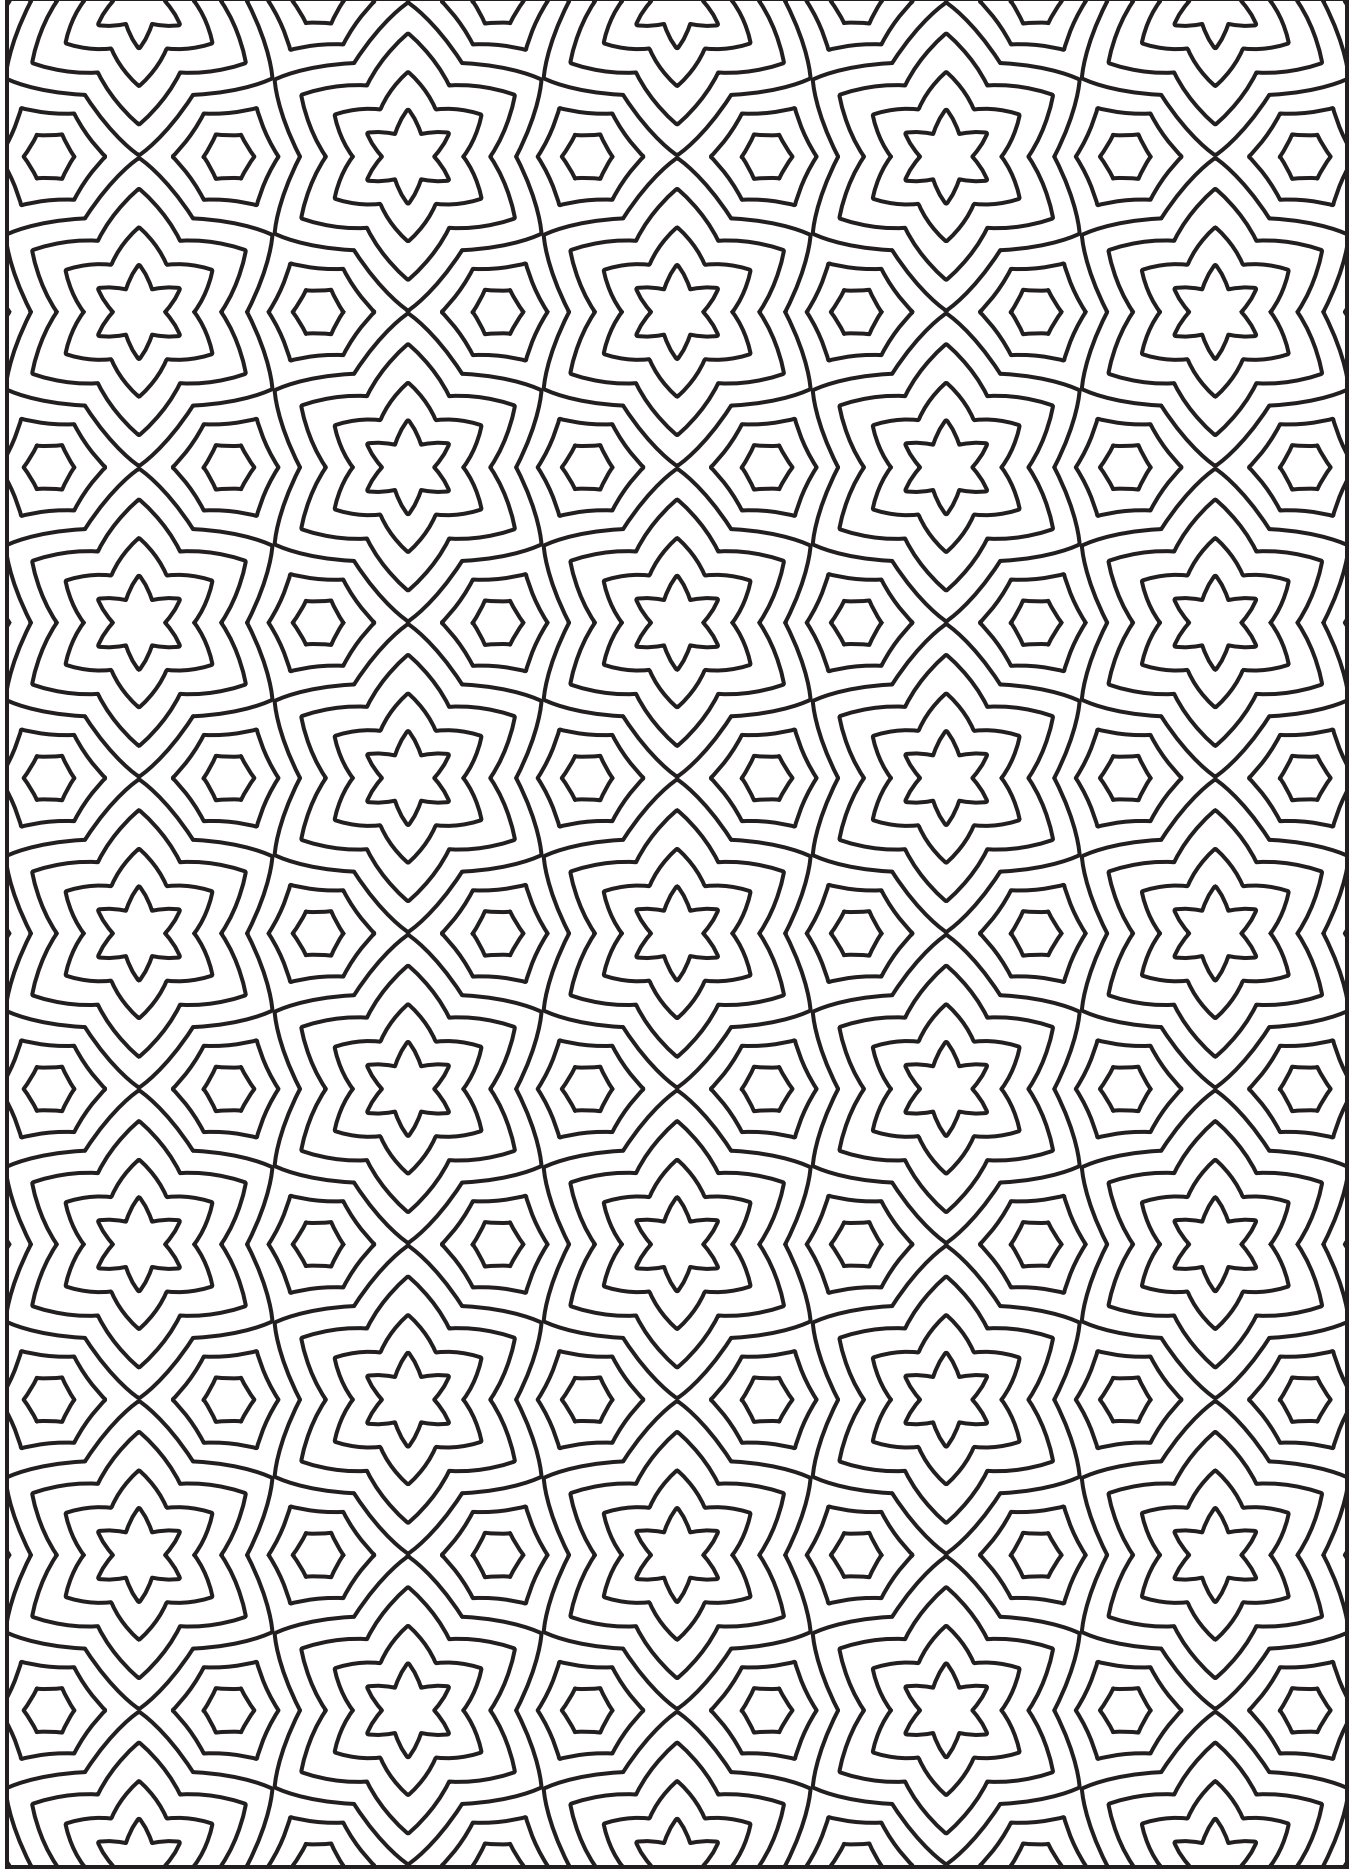

My books are available in paperback from Amazon, and as printable PDFs from Etsy. For more information, visit **[ljknightart.com/colouring](http://ljknightart.com/colouring)**
